

# JUICY LUCY BURGER

2 lb Ground Beef

2T A1 Steak Sauce

Cheese of your choice: American, Bleu, Cheddar or Swiss

---

Mix ground beef the steak sauce as if making meatloaf. Divide mixture into 10 meatballs around 3 ounces each. On wax paper flatten each to around 5 inches. Place cheese on one half of the flattened meatballs and then cover with the other half of the beef. Seal and shape the edges. Season with your favorite seasoning.

Grill until done over medium low heat.  
Lower heat is best to ensure complete cooking.
